for the District of Maryland

RE: United States of America v. Jamie Clemons
Criminal No.: 1:19-CR-00438-RDB-1

Dear Judge Bennett:

The Court having granted the Defense request for extension of time to file Names of Witnesses, Synopsis, Length of Hearing and Sentencing Memoranda for which we are greatly appreciative, a conflict with the Scheduling Order seems to have arisen. We have communicated with Government attorneys and we propose the following:

We suggest that the Scheduling Order be rescinded and that a status report should be submitted to the Court on or before July 26, 2021. At that time a new Scheduling Order can be executed.

This suggestion has been reviewed by Government attorneys and has their approval.

We all thank you for your consideration.

Very truly yours,

Howard L. Cardin
